Standardized Protocol for Narrative Reflection

Evidence for Standard **Select the Teaching Standard.**

Element with the Standard *Identify the element referenced.*

Define the element within the Standard.

Describe the artifact or evidence in the context of your teaching practice.

Why was the evidence selected? What is the purpose or function of the evidence?

Evaluation: How effective was the activity, the assessment, the data generated?

Reflection: Consider lesson planning with this evidence or artifact in mind.

What would you change? What would you leave the same? Why?
